NEW HAM RADIO CLUB IN TOWN!!!

As of Monday, August 4, 2008, the South Wake Amateur Radio Club has a constitution, application and members! We are now a club!

After an organizational meeting and a temporary board of directors meeting, a proposed constitution was emailed to all prospective members and was discussed at the August 4 meeting. After minor changes, the constitution was voted into existence.

A proposed application was also emailed and discussed at this meeting. Minor changes were also made and the temporary Membership Director, Dale Whitlock AI4WF, started taking completed applications and dues. The final count of members that night was 22 with 20 full members and 2 associate members.

Danny Hampton, K4ITL, has graciously given permission for South Wake to call the 147.195 repeater home. Located on the WRAL-TV tower at 1250 Feet the 147.195 (88.5 Tone) is a wide coverage repeater and will provide South Wake with great coverage. Thank you Danny!

Jennifer Avery, KI4TFO, is working on our Articles of Incorporation and non-profit 501(c)(3) status. Thank you Jennifer!

Phil Cunningham is working on the requirements for ARRL affiliation. Thanks Phil!

Thank you to all the temporary Board of Directors for all the hard work. They are Phil AE4PC, Dale AI4WF, Hank K4HM, Anna KF4USQ, Mark NC4MP, Tim W4TAR, and Thomas WW4TLB.

DONATIONS FOR ANTENNA REPAIR

We have collected \$1100 of the \$1200 needed for repeater antenna repair.

Thank you to Phil AE4PC, Vessie AI4UP & Dale AI4WF, Hank K4HM, Gloria & Steve KAOGMY, Anna KF4USQ & Glenn KF4RDN, Barry KI4PMI, Peggy KI4SHY & Don AI4OZ, Jennifer KI4TFO

& Ryan NC4RA, Mark KJ4ECJ, Donn NC4DH, Mark NC4MP, and Tim W4TAR, for your generous donations.

If you would like to donate, please get in touch with Tim W4TAR (timruffin@earthlink.net) or Dale AI4WF (ai4wf@nc.rr.com).

ELECTIONS TO TAKE PLACE IN SEPTEMBER

Remember to
vote!

We are now accepting nominations for the five officers as well as the two directors at large. So far we have:

President:
Anna Crissman KF4USQ
Tim Ruffin W4TAR

Vice President:
Phil Cunningham AE4PC

Secretary:
Jennifer Avery KI4TFO

Treasurer:
Jack Donnelly WA2YBM
Donn Harris NC4DH

Membership Director:
Dale Whitlock AI4WF

Directors at Large (2 open positions):
Steve Mowels KA0GMY
Hank Montgomery K4HM
Mark Womack KJ4ECJ

If anyone would like to run for a position or nominate someone, please send an email to Tim Ruffin W4TAR at timruffin@earthlink.net or Dale Whitlock AI4WF at ai4wf@nc.rr.com. Please check with the person you are nominating to be sure they will accept the nomination.

We will be voting by secret ballot at the next meeting on September 8, 2008.

NOTES ON ORGANIZATIONAL MEETING
OF THE SOUTHWEST WAKE AMATEUR RADIO CLUB

The meeting was started at 7:07 P.M. by the moderator, Tim Ruffin W4TAR at the Golden Corral in Fuquay Varina, NC. Tim explained that this was an organizational meeting for a new club to be called the Southwest Wake Amateur Radio Club. This will be an independent club with no direct ties to other radio clubs or civic organizations. The club's purpose is to develop amateur radio use for the public good through public service. The intent is to file as a 501(c)(3) non-profit group and to fund a bank account for club purposes. The club is open to anyone who is interested in amateur radio and the club's objectives.

When the idea of a new club was formed, a search for two-meter repeater positioning was not successful. Danny Hampton K4ITL offered the use of the 147.195 repeater as the club's home repeater. The club will help with the cost of needed repairs to the repeater to be done in the near future. Ron Casey KD4JDR offered the use of the Carolina 440 repeaters in the area as a backup. Steve Mowels KA0GMY and Raymond Hoeger W4RLH also offered their repeaters as backups.

Members are encouraged to become PCRN supporters.

The club's simplex frequency of choice will be 147.525.

The next meeting will be August 4 at the Golden Corral in Fuquay Varina, NC at 7:00 P.M. Future meeting sites will be discussed as the club develops.

Don Sharer AI4OZ and Hank Montgomery K4HM will work on the beginnings of a constitution.

Phil Cunningham AE4PC will look into ARRL affiliation.

Jennifer Avery KI4TFO will take care of filing the 501(3)(c) papers.

Officers needed will include President, Vice-President, Secretary, Treasurer, Net Manager and Membership Chairman.

Committees needed will include Special Projects and Contests headed by Ryan Avery NC4RA, Public Service, VE Testing and Education headed by Dale Whitlock AI4WF, SkyWarn/Cert/ARES/ liaison – Thomas Babb WW4TLB, Elmer Committee headed by Tommy Williams KI4VSO, Webmaster – David Whitehurst, Net Manager – Mark Perkins NC4MP, and Repeater Liaison – Steve Mowels KA0GMY. Tommy Williams KI4VSO will develop logo ideas for use on club-related articles.

The club will sponsor a nightly rag-chew net beginning on Wednesday, July 23, 2008 on the 147.195 repeater at 7:30 P.M. There may eventually be a Trader's Net if desired. Those interested in being Net Control Operators should contact Mark Perkins NC4MP.

Dale Whitlock AI4WF reported that a new VE testing group, the Capital Area Testing Group, has permission to use the facility of the Clayton EMS for quarterly testing beginning in October. Testing at other sites may be scheduled as needed.

The club meetings will include programs of interest to the ham community.

continued on next page...

NOTES ON ORGANIZATIONAL MEETING OF THE SOUTHWEST WAKE AMATEUR RADIO CLUB CONT...

Possible public service events with club communication assistance in Fuquay Varina include Run the Quay, the Christmas Parade, and Days in Downtown Fuquay Varina. Events in Holly Springs may include Octoberfest.

A discussion followed on the need for an interim Board of Directors in order to file the 501(3)(c) papers. This board includes Dale Whitlock AI4WF, Thomas Babb WW4TLB, Phil Cunningham AE4PC, Anna Crissman KF4USQ, Mark Perkins NC4MP and Hank Montgomery K4HM. Election of officers may be held at the next meeting.

After much discussion, dues were set at \$30 for individual membership. Family membership dues will be \$30 for the first member and \$5 for each additional family member. The club will make an annual donation to the PCRN from money collected as dues. Members who are licensed amateurs and over the age of 18 will be eligible to vote and hold office. Additional membership classifications and rights and privileges thereof will be discussed as the constitution is developed. Dues will be collected starting in September.

Door prizes were won by Jim Williams W4VCF for having a ham license for the longest time – 48 years, and by Donn Harris NC4DH for traveling the longest distance to the meeting.

Donations were accepted toward the needed repairs of the 147.195 repeater. A total of \$670 was collected at this meeting.

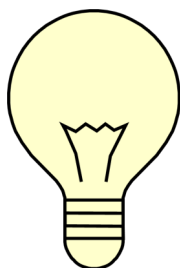

Those present at the meeting included:
Thomas Babb WW4TLB

Glenn Crissman KF4RDN

NEWSLETTER NEEDS A NAME

**We need your
ideas!**

Since this is a brand new newsletter as well as new club, it needs a name!

Please put on your thinking caps and help us come up with a good name.

Email all suggestions to Vessie Whitlock at AI4UP@nc.rr.com.

The suggestions so far are:

- South Wake A.R.C. News
- South Wake Repeater
- South Wake Modulations
- The Modulator
- The Rag (chew)
- The Brass Pounder (see ARRL website)
- The Soft Net
- CQ-SWARC
- The South Wake QSO
- SWARC Logbook
- SWARCer News

We will let the club decide next meeting what our name will be.

**SOUTH WAKE ARC MINUTES OF MEETING
AUGUST 4, 2008**

The meeting was called to order at 7:02 by Tim Ruffin, W4TAR at the Golden Corral in Fuquay-Varina, NC.

The first item for discussion was the Constitution of the South Wake Amateur Radio Club. Tim told the members that this was a draft of the Constitution and would be up for a member vote.

ARTICLE ONE, SECTION 6: Honorary members: Tommy KI4VSO made a motion that Honorary members be given full rights and privileges and the right to vote. Motion was seconded and passed.

ARTICLE TWO, SECTION 4: Officers: Dale AI4WF made a motion regarding the term limits for officers to change the limits on a consecutive term from five years to three. Motion was seconded and denied.

ARTICLE THREE, SECTION 4: Treasurer: A motion was made that wording be added to the constitution to state that the Treasurer shall make a monthly written financial report to the club. Motion was seconded and passed.

**Selene KG4RMT discussed a standing rule that there be a roster of all members made available to all members. A motion was not made on this topic, despite the fact that Tim W4TAR said we would come back to it.

ARTICLE FOUR, SECTION 1: Board of Directors: Phil AE4PC made a motion to modify the Board of Directors to take out the past president. Motion was seconded and passed.

ARTICLE FIVE, SECTION 9: Phil AE4PC made a motion that the board member who is removed may be appeal and reversed by a 2/3 vote of the members present at the meeting. Motion seconded and passed.

ARTICLE EIGHT, SECTION 2: A motion was made to delete the words "by mail" to state that the members be notified. Motion was seconded and passed.

Motion was made to accept constitution as amended. Motion was seconded and passed officially making South Wake Amateur Radio Club an official club!

Roberts Rules Order – Don AI4OZ suggested that someone buy a copy of Roberts Rules to give to the Club secretary.

Application for membership was presented to the Club. Ken W4FXE made a motion to add a signature line and date to the application. Motion was seconded and passed.

Dale AI4WF made a motion for members wishing to sign up tonight to fill out the application and sign on the application and date it as it is written. Motion seconded and passed.

OTHER MEMBERS OF INTEREST WITH SOUTH WAKE ARC:

Ryan NC4RA is in charge of special projects and contesting

Phil AE4PC is in charge of public service

Mark NC4MP is in charge of net control

Tim W4TAR is in charge of programming

Dale AI4WF is in charge of VE testing

Gino KI4YXO was suggested for Skywarn/ARES. Gino was not present so this would need to be discussed with him. Don, AI4OZ agreed to assist Gino.

Tommy KI4VSO agreed to be in charge of the Elmer Committee

David Whitehurst who has yet to get a call sign, will be in charge of the web page.

Steve KAOGMY will be the repeater liaison

Tommy KI4VSO is in charge of logo ideas.

Thomas has withdrawn his name for being an officer or a member of the Board of Directors.

Tim W4TAR announced that K4JDR with the Carolina 440 linking system gave us his system as a backup.

Mark NC4MP agreed to talk to Ronnie and Danny Hampton about coordinating about a linked net a couple nights a week on the linking system.

Tim W4TAR said that there is a possibility that a temporary antenna may be available that will significantly improve people getting to the repeater. If it happens you will know.

Next meeting: Golden Corral could not guarantee that we have a room on September 1. A motion was made to move the meeting date to September 8th at 7:00 at Golden Corral. Motion was seconded and passed.

Discussion was made about the possibility of having program at the next meeting with K4ITL and K4JDR being brought up to describe how the repeater works.

ELECTIONS: The following people were nominated for the following offices:

PRESIDENT: Tim Ruffin W4TAR and Anna Crissman KF4USQ

VICE PRESIDENT: Phil Cunningham AE4PC

SECRETARY: Jennifer Avery KI4TFO

TREASURER: Jack Donnelly WA2WBM, Donn NC4DH

continued on next page...

SOUTH WAKE ARC MINUTES OF MEETING AUGUST 4 , 2008 CONT . . .

MEMBERSHIP CHAIRMAN: Dale Whitlock AI4WF

TWO MEMBERS AT LARGE: Steve Mowels KA0GMY, Hank Montgomery K4HM and Mark Womack, KJ4ECJ

At the next meeting, the Club will take additional nominations and then vote.

YAHOO GROUP: Phil AE4PC will send an invitation to all members for the yahoo group.

Tommy KI4VSO came up with logo possibilities, Phil will put all these on the yahoo group.

ANTENNA REPLACEMENT: Tim W4TAR announced that the cost to replace the antenna is approximately \$1,200. The Club has to date raised \$1,100. Tim told Danny Hampton we would come up with the money.

IN SCHOOL AMATEUR DEMO: Haley KI4TWW volunteered to help set something up at her school.

INCORPORATION: Jennifer KI4TFO is working on the Articles of Incorporation. Tim W4TAR asked her to be the registered agent on the Articles of Incorporation so we could get the incorporation process started.

50/50 DRAWING: Raffles were sold for \$.50 and \$41.50 was collected. Hank K4HM won the drawing and donated his winnings to the Club.

PRESENT AT MEETING:

Tim Ruffin W4TAR
Dale Whitlock AI4WF
Vessie Whitlock AI4UP

SOUTH WAKE A.R.C. LABOR DAY PIG PIC'N

Sunday August, 31 2008

4pm til

NC4RA's QTH

It's time to get this club's events rolling and I can't think of a better way to start than with a good old fashion Pig Pic'N. I'll throw a pig on the grill, the rest of you bring the fixins. We'll need things like drinks, desserts, sides, desserts, chips, desserts, burgers, dogs, etc. We'll eat anything you bring. This is open to everyone, South Wake members and anyone curious in learning what our new club is all about. I'll plan on having the pig ready around 5. Bring your swim suits for the pool, your competitive spirit for horseshoes, and a chair to relax in. I'll have a radio setup for anyone who wants to play. For more info and to coordinate sides, give me, NC4RA, a call at 919-524-1033.

Ryan Avery
1635 Oak Grove Church Road
Angier, NC 27501

THE SOUTH WAKE ARC YAHOO GROUP IS OPEN FOR BUSINESS!

Simply go to <http://groups.yahoo.com/group/southwakearc/> and follow the directions for new membership. This is a club members-only web page, so your group membership will not be approved until a moderator confirms that you're a club member. Please also include your name and call sign as part of your profile so we know who is who. See you in the group!

- Phil Cunningham AE4PC

Editor's comments: Current membership application and the Constitution as voted is currently posted in the Files section in the Yahoo group; as well as some other great local information and links. Prospective Logos under photos section.

SOUTH WAKE AMATEUR RADIO CLUB LOGO DE KI4VSO (TOMMY WILLIAMS)

I have had the opportunity to spend a bit of time to draft several logo ideas for the club at Tim's request at the first meeting. Since the adoption of the constitution and handing out my initial ideas I have gotten quite a bit of feed back, and am working on a few more variations of the popular choices.

During the entire process I had to remember what Tim and Thomas' reason for creating the club was, and when Tim mentioned it during the inaugural meeting it really stuck with me: "Public Service Through Ham Radio". I latched on and started visualizing ways to convey this.

When first assembling my ideas I had to consider how I would want "My" club represented when in the public eye, and nothing less than professional was my answer. Foremost A good logo should provide an easily recognizable identity for the club, communicate who we are, and what we are about. With a color scheme already suggested, that made my design choices easier. As I drafted one iteration after another, there were

key points about a logo that kept bubbling up.

A logo must have an immediate impact on you, the viewer. It also needs to be pleasing to look at, and to hold your attention. Additionally it needs to copy well to letterhead, signs, promotional items and so forth (what will it look like printed on a ball point pen). In wanting to project a professional image, that rules out using whimsical logos. Finally as I thought forward, I considered how well the club would be served in the future by the logo. To have an logo now, and change it down the road because it no longer represents the club is just no good for the club. Something that can grow with us is a must.

I am still working on a few more iterations based on suggestions, but in the interim please take a look at the images that I posted to the yahoo group at:

<http://ph.groups.yahoo.com/group/southwakearc/photos/browse/72ba>

SPECIAL EVENTS

Hey Gang I just wanted to jump in here and let you know that I'm working on a list of events to round out the year. I'm kind of thinking that we could do some sort event maybe once a month not including the meeting. This can be anything from setting up a full blown special events station to meeting at a members house for burgers & dogs. I've had several suggestions about setting up at some of the local town's street festivals, taking field trips to like the battleship to work it's radio, having a kit building session and any other reason for us to get together to play radio. Our first event will be a Pig Pick'N on

Sunday August 31. It will be located at my QTH in Angier and I plan on having the pig ready to eat around 5pm. Feel free to come out earlier and enjoy the pool, throw some shoes, work a radio and socialize. I will need for everyone to bring a dish with them to round out the trimmings. So break out the swim trunks and toss a chair in the car and come on out and enjoy South Wake's Labor Day Pig Pic'N. For more info and to coordinate fixing's, contact me at 919-639-0149 or rwavery@charter.net

73 Ryan-NC4RA

UPCOMING SKYWARN EVENTS

August 12 - "National Weather Association" with NWA Executive Assistant Ruth Aiken KI4ZCW.

Each Tuesday at 9:15PM on the 146.88 repeater there is a CCS Information Net. On each net there are announcements, check-ins by county, and often a program or training spot. If there is a program topic you would like to suggest for consideration, please send an email to CCS EC Virginia Enzor at nc4va@nc.rr.com.

Thursday, August 14 - Basic SKYWARN Spotter Training, 7-9PM, Cary Fire Station #1, 1501 N. Harrison Avenue, Cary, NC.

Wednesday, August 20, SKYWARN Spotter Dinner, 6:30-8:30PM, Program - "2008 Hurricane Season" by NWS Warning Coordination Meteorologist Jeff Orrock KI4KKX, Golden Corral Restaurant, 6129 Glenwood Ave., Raleigh, NC.

JULY 2008 SOUTH WAKE ARC NET REPORT

Hello everyone here is the very first South Wake ARC net report for the month of July 2008!

I would like to say right to begin with thank you to Danny Hampton K4ITL for making this happen. Danny allowing the South Wake ARC to use the 147.195 has allowed us not only to call this repeater home but to do continue friendships and make new ones. Also, it will allow us to do our part to enhance the hobby through public service, special events, elmering new hams (and older ones if they need it), helping in times of need like emergencies or what ever type of situation that arises.

This club will do many activities and be one of the premier clubs if not the premier club in the area. I for one am glad to be apart of it as, I am sure you all are too. We owe all this to Danny Hampton and I just can't thank him enough for the effort he has put into helping the South Wake ARC get started.

As you know we have a new temporary antenna up now and as you can tell it has made a tremendous difference. The coverage now is very wide and everyone can get into it now with no problems at all. And you know what? It is only going to get better! Just wait until the new antenna and repeater get put into place it is going to be great! We're going to have an absolute "Monster" for a repeater!

Ah, this is suppose to be a net report isn't it? Well, I just had a couple of things I wanted to say. Anyway, have some good things coming with the nets that we are hoping to do when the new repeater gets put in place. One is to call one net during the week that we will link into the PCRN and call a statewide net. It will be more than likely a Friday night and we feel like this will really take off after we get it started. Also, on Monday nights what we are going to try and do is until we can get it linked up (hopefully) is to suspend our Monday night nets and have our net on the Carolina 440 UHF link system. Ron Casey has been very gracious to us in that he would allow us to use his link system in some events if we need it or use it as a back up. So, this way we can show him support for helping us out. We have a few things to iron out but I think we are going to be able to make this happen. I really believe that we are going to have some goods things hapening with our nets here in the very near future. It is very exciting to be a part of all this!

Speaking of being a part of the nets I am still looking for some net controllers to fill up the week. As of right now here is what I have.

Sunday Ryan NC4RA/Jennifer KI4TFO

Monday Open

Tuesday Don AI4OZ/Peggy KI4SHY

Wednesday Open

Thursday Gino/KI4YXO

Friday Mark/NC4MP

Saturday Open

If any of you are interested in calling a net please let me know and see if we can't get you in calling a net. Even if you do not want to call a net on a permanent basis let me know because we will always need a substitutes to fill in for when someone is out so, please feel free to email me and let me know how you want to do it all help is very much appreciated.

Ok, now I know we didn't have much of a month last month as far as nets go but, we did have 9 nets for the month of July. So, I have a break down of what little bit we did have for the month so here are the numbers.

Net sessions: 9
Members participating: 25
Visitors participating: 27
Total check-ins 171
Average Check-ins per net 19

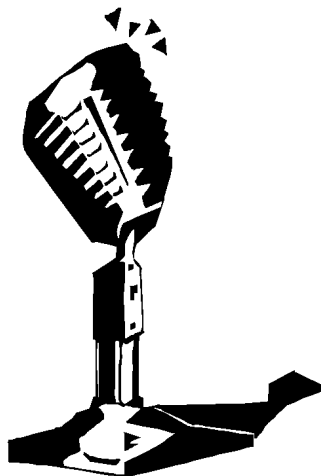

Obviously the numbers are a bit down because we only had 9 nets for the month but I do think that it is encouraging because we averaged 19 check ins per net. But, for a net just starting to average almost twenty check ins is great. Not everyone in the area knows we are having nets and at the time the coverage because of the antenna was not very good. I do think that the month of August will be much better and we will be very happy with the results. Good things are to come for this new net so hold on to your seat we are going for a ride on the 195 EXPRESS!

I would like to thank AI4WF, KA0GMY, NC4RA, KI4YXO, and KI4TFO for coming in and calling nets during the month and look forward to hearing them call some more in the future. You know we only had 1 person check into all 9 nets during the month of July and that person was NC4RA Ryan! We had several that got 7 or 8 but Ryan was the trooper for the month so, thanks Ryan you are the very first South Wake ARC Check-In Champion of the Month!

Alright folks that is about all I have for the month hope to see you all at the meeting on the 8th of September. Oh, I do want to say thanks for all the support on the nets and please try and check in as often as you can especially at this time just getting started it is really important to get in there and check in so this net will grow! Ok, thanks everyone and I'll be talking to you on the 195 soon!
